The amendment document filed on September 24 2007 is considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121. In order for the amendment document to be compliant, correction of the following item(s) is required. Claims 20 and 27 have not been provided with the proper markings indicating the changes that have been made relative to the immediate prior version of the claims. For example, the text of any deleted matter must be shown by strike-through except that double brackets placed before and after the deleted characters may be used to show deletion of five or fewer consecutive characters. For further explanation of the amendment format required by 37 CFR 1.121, see MPEP 714. Applicant is given one month, or thirty days, whichever is longer, from the mail date of this notice to supply the correction. The correction required is only the corrected section of the non-compliant amendment in compliance with 37 CFR 1.121. Extensions of time are available under 37 CFR 1.136(a). Failure to timely respond to this notice will result in abandonment of the application.
